

Welcome to a new school year at Scio High School.

Due to ongoing construction, registration needs to be different this year. We appreciate your patience and understanding as we navigate these consistently changing situations. Please take note of the updated procedures to ensure a smooth registration process. We're here to assist you every step of the way and look forward to a successful year ahead.

- **Online Registration:** Available on Wednesday the 21st and Thursday the 22nd. The school will **NOT** be open on these days. If you have any questions please contact us in the office.
- **In-Person Registration:** Tentative drop-in appointments with the principal or counselor on Friday the 23rd from 8 AM to 3 PM, subject to change due to construction.
- **Schedules:** Will not be distributed before the first day of school. They will be ready and distributed on the first day. Schedule change requests can be made during the first week of school.
- **Parking Passes:** Parking passes will be required this year. Students who drive should pick up their parking passes during the first week of school.
- **Drug Testing:** Drug testing will be required for any student who wishes to participate in extracurricular activities. Students who are already in the testing pool will remain in it unless they choose to opt out. Incoming freshmen and new students at Scio High School must complete the drug testing opt-in form if they plan to participate in extracurricular activities. If your student does not plan on participating in extracurricular activities, there is no need to opt in.
- **Permission Slips:** Study hall and student handbook permission slips will be distributed for signatures during the first week of school.
- **Lockers:** Not being assigned due to construction.
- **Transfer Students:** If you are a transfer student from outside the Scio School District, or a freshman transfer student, you must meet with Mr. Braa or an appointee to finalize your registration. The process will not be complete without this meeting.
- **Building Access:** The high school is completely shut down. Nobody will be allowed to walk through the building. If you are coming into the building on Friday, you will need to park in the gravel parking lot closest to the youth club.

Please do not hesitate to contact us here in the office if you have any questions.

Scio High School
A tradition of excellence
